

ARE YOU BUILDING A POOL?

Need advice?

Let Clinton Bargenquast from Saurus Constructions help you

It can be a very daunting experience being responsible for your pool barrier installation and can be quite costly and disappointing if once finished you are told it doesn't comply.

- Clinton will visit the pool location conduct a Pool Barrier Health Check
- Clinton will be available for phone consultation
- After Clinton visits the pool site you can email update for advice
- Once you are ready Clinton can re-inspect or if required conduct a Pool Barrier Certificate inspection

Saurus Constructions can advise on:

- Appropriate materials to use for your pool barrier
- Appropriate plant and placement now and for the future
- Appropriate gates, latches & hinges
- Trade list

A \$70 Pool Barrier Health Check is a great way to gain the correct information before, during and after work is completed

Not everyone needs our company to issue a QBCC Pool Barrier Certificate but if you do require a QBCC Pool Barrier Certificate within 3 months of engaging our services we will discount your \$70 from our \$250 Pool Barrier Certificate.

Leaving you \$180 to pay at time of inspection = for a \$250 Pool Barrier Certificate
